#### **About the Event**

Nearly 10,000 women across 11 EU countries and the UK took part in the survey, highlighting the challenges mothers face in work, care, and mental health, sparking dialogue on building supportive, and inclusive policies for mothers.

#### **About Make Mothers Matter**

Make Mothers Matter is an international NGO founded in 1947 to promote the recognition and support of the essential role of mothers in society. MMM holds general consultative status with the United Nations and works across Europe and globally to influence policy for mothers and families.
