

CHARTER FOR SUPPORTING MEMBERS

To each of you who wishes to join:
We are delighted to welcome you!

Make Mothers Matter (MMM) is an independent association, with no political or religious affiliations. Our mission is to give **mothers a voice, defend their rights**, raise awareness of the specific discriminations and challenges they face but also of their contributions to society and the economy, **empower them**, and **shift societal perceptions** about their multiple roles.

To advance this cause, **MMM is active on several fronts**: advocacy, network mobilisation and awareness raising.

By becoming a supporting member of MMM, we invite you to:

- **Strengthen our global network** of support for mothers.
- **Share MMM's actions and messages** within your networks and help amplify our communications (e.g., social media, newsletters).
- **Contribute financially** through your annual membership fee (minimum €10) — a small but meaningful expression of your commitment.

If you're interested in getting more involved in specific projects or activities, according to your availability, skills, and interests, we'd love to hear from you. We'll offer clear, well-defined opportunities with the support you need for a smooth and rewarding experience.

As a supporting member, you agree to:

- Respect MMM's purpose, ethics, and values.
- Not use MMM's name, logo, or materials (documents, publications, tools, etc.) for personal or professional purposes.
